

***Mark & The Master:
Welcome To My Upper Room***

Mark 14:10-16

March 1, 2015 Kemptville CRC

"...a man carrying a jar of water will meet you..."

THE MAN

Today we watch the unknown man in the shadows of v.13

- Owner of a larger than average homeless
- Opening his home to Jesus, in love
- It was a dangerous time (see Mark 14:1-2)
- We know his heart through his A_____
- Why the signal of “a man carrying a jar of water” worked so well...
- His home was open:
 - even though.....
 - even though.....
- How might he have rationalized NOT opening his home to Jesus?

HOW WOULD I RESPOND?

- Never mind then, how DO I respond to you today?
(Revelation 3:20)
- Am I, perhaps, functionally SECULAR?
(*That is: Jesus doesn't make a real difference in the practical way I live my life*)
- Are there “upper rooms” in my life where Jesus is NOT welcome?
Why?
